

## Unique Grand Entrance Ideas

Your **Grand Entrance** is one of the most exciting moments of the wedding day. I'm sure all brides will agree that the feeling is absolutely indescribable.

While the grand entrance will always be extremely powerful left untouched, it's always fun to "**CRANK it up a notch or two!**"

Here are a few ideas to get your creative juices flowing...

- 1) After your first dance is finished, your DJ can invite all of your guests out there to share in a special dance together alongside you.
- 2) If your dance floor is in the perfect spot in the room, have your DJ invite all of your guests out there and form two lines, or a horseshoe; whatever works best. We believe that a crowd gets more energy when they are close together, so the applause will be nuts! Your bridal party can be introduced and then join your guests surrounding the dance floor, while you and your groom can go into the middle and do your first dance. Talk about a **GRAND** moment!
- 3) Your DJ could then ask everyone to remain on the dance floor for a group pic! Those shots are great, and there is no better way to remember every one that shared in your big day!

Stay tuned for more fun ideas! Our goal is to give our wonderful brides & grooms as many options as possible, and allow them to pick what suits them best. No two weddings are alike, and we plan to keep it that way!

Until next time ... **Think Unique!**
