

Hi Guys,

Ryan & I wanted to tell you you did an amazing job on your wedding! Although we live in Macon Georgia, and we did everything over the phone and internet, the music for the ceremony and reception was perfect.

Lisa, from the moment I spoke to you, I knew that this was the right choice. Ya'll are not pushy with your own ideas. You let us pick the music and just added the toppings which made everything perfect in my eyes! We would use you over and over if we had to, but I plan on having a long happy marriage!!! Maybe for the renewal of vows in a couple of years! :-)

Fellow Brides-to-Be's - If you are looking for a DJ in the DFW area I 110% recommend Rob & Lisa! They made the wedding fun, stress free, and did all around amazing job!

Thanks again-
Kirbi Suddeth
